EMTEC

Optical Media

Blu-ray Disc

Single Layer / 25GB / 1-2x

The new optical technology dedicated to high definition recording

> On the same 12 cm surface like a DVD, the single layer Blu-ray discs offer a storage capacity of 25GB, 5x more than a standart DVD.

> The new Blu ray disc can record over 2 hours full HD video and 13 hours standard definition TV

> Thank s to their large storage capacity these new discs are also the ideal back up solution for all your data.

> **Two standarts** :
- BD-R, One time recordable
- BD-RE, rewritable up to 1000x

> Compatible with all players / recorders Blu-Ray disc**.**

> Logistic :
